**ORDER DENYING REQUEST FOR
APPOINTMENT OF AN ATTORNEY**

This matter is before the Honorable William G. Hussmann, Jr., United States Magistrate Judge, upon a letter filed April 14, 2010, in which plaintiff requests that the court appoint an attorney to represent her in this matter. (Docket No. 41). Plaintiff brings this case as a civil action seeking damages from defendant. Plaintiff has been previously advised by this court that she is not entitled to appointment of counsel in a civil case. Plaintiff must – as most civil litigants have to do – attempt to comply with the Federal Rules of Civil Procedure in prosecuting her claim. Plaintiff has not to date advised the court that she has exhausted the ability to obtain a necessary retainer for an attorney to take the claim from family, friends, or otherwise. Until she has done so, her request for appointment of an attorney is **DENIED**.

SO ORDERED.

Dated: April 15, 2010
